VICTOR LEMERCIER

Full-stack Developer · Product & UX

• OPEN TO PERMANENT FT ROLES
PARIS, FRANCE
06 76 16 69 80
VICTORLEMERCIER.DEV@GMAIL.COM

A great product depends as much on solid code as on how you think about the user. It's this balance between technical skills and product vision that drives me in every project, from the first sketch to launch.
